## **URINARY SYSTEM TERMINOLOGY- Key**

| Term                      | Meaning  |
|---------------------------|--|
| pyel/o                    | Renal Pelvis   |
| pyelocystitis             | Inflammation of the renal pelvis and bladder                 |
|                           | · ·  |
| pyelostomy                | Creation of an opening into the renal pelvis                 |
| pyelotomy                 | Incision of the renal pelvis                                 |
| pyelonephritis            | Inflammation of the kidney and renal pelvis                  |
| pyelolithotomy            | Removal of a stone from the pelvis of the kidney             |
| ny alastasia              | through an incision  |
| pyelectasis               | Dilation of the renal pelvis                                 |
| pyelography               | A radiograph of the ureter and renal pelvis                  |
| pyeloplasty               | Surgical repair of the pelvis of the kidney                  |
| pyelitis                  | Inflammation of the pelvis of the kidney                     |
| pyelocystostomosis        | Surgical establishment of communication between the          |
|                           | Kidney and bladder   |
| pyelonephrosis            | Any disease of the pelvis of the kidney                      |
| pyelopathy                | Disease of the renal pelvis                                  |
| pyeloplication            | Shortening of the wall of the dilated renal pelvis           |
| pyeloscopy                | Examination of the renal pelvis                              |
| retrograde pyelogram      | Endoscope is used to visualize the renal pelvis and ureter   |
| IVP                       | A pyelogram in which a radiopaque material is given          |
|                           | intravenously  |
| ren/o                     | Kidney   |
| renography                | Radiography of the kidney; recording of the kidney           |
| renal failure = ARF / CRF | Acute rise in the serum creatinine level of 25% or more      |
|                           | (Can last days or weeks before resolving)                    |
|                           | Chronic (end-stage) renal disease                            |
| Rennin                    | Enzyme produced by the kidney that stimulates                |
|                           | vasoconstriction and secretion of aldosterone                |
| renogastric               | Pertaining to the kidneys and stomach                        |
| renogram                  | Record of the rate of removal of an intravenously injected   |
| _                         | dose of radioactive iodine from the blood of the kidneys     |
| renopathy                 | Disease condition of the kidney                              |
| renal calculi             | A stone in the kidney  |
| renal biopsy              | Obtaining renal tissue for analysis                          |
| renal failure             | Acute rise in the serum creatinine level of 25% or more      |
| renal scan                | A method of determining renal function, size and shape.      |
|                           | A radioactive substance that concentrates in the kidneys     |
| glomerul/o                | Glomerulus   |
| glomerular                | Pertaining to the glomerulus                                 |
| glomerulitis              | Inflammation of the glomeruli                                |
| glomerulonephritis        | Nephritits in which the lesions involve primarily the        |
| g                         | glomeruli  |
| glomerulopathy            | Any disease of the renal glomeruli                           |
| glomerulosclerosis        | Fibrosis of renal glomeruli associated with protein loss in  |
| 91011101010001010010      | The total of total giorneral accordated with protein loss in |

|                               | the urine  |
|-------------------------------|--|
| nephr/o                       | Kidney   |
| hydrohematonephrosis          | Bloody urine distending the pelvis of the kidney             |
| hydronephrosis/nephrohydrosis | Stretching of the renal pelvis as a result of obstruction to |
|                               | urinary outflow  |
| nephralgia                    | Renal pain   |
| nephrectomize                 | To remove, surgically, one or both kidneys                   |
| nephrectomy                   | Surgical removal of a kidney                                 |
| nephric                       | Pertaining to the kidneys                                    |
| nephridium                    | A segmented excretory tubule present in many                 |
|                               | invertebrates  |
| nephritis                     | Inflammation of the kidneys                                  |
| nephroabdominal               | Concerning the kidneys and abdomen                           |
| nephrocalcinosis              | Calcinosis of the kidney                                     |
| nephrocardiac                 | Concerning the kidneys and heart                             |
| nephrocele                    | Renal hernia   |
| nephrocolic                   | Renal colic; concerning the kidney and the colon             |
| nephrocolopexy                | Surgical suspension of the kidney                            |
| nephrocoloptosis              | Excision of the renal capsule                                |
| nephrocystanastomosis         | Surgical formation of an artificial connection between the   |
|                               | kidney and the bladder                                       |
| nephrocystitis                | Inflammation of the kidneys and the bladder                  |
| nephrocystosis                | Formation of renal cysts                                     |
| nephrogenetic                 | Arising in or from the renal organs                          |
| nephrography                  | Radiology of the kidneys                                     |
| nephrology                    | The branch of medical science concerned with the             |
|                               | structure and function of the kidneys                        |
| nephroma                      | Renal tumor  |
| nephromalacia                 | Abnormal renal softness or softening                         |
| nephromegaly                  | Enlargement of the kidney                                    |
| nephron                       | Glomerulus and renal tubule where filtration, reabsorbtion,  |
|                               | secretion take place   |
| nephropathy                   | Inflammatory, degenerative & sclerotic lesions of the        |
|                               | kidney   |
| nephropexy                    | Surgical fixation of a floating kidney                       |
| nephroptosis                  | Downward displacement of the kidney                          |
| nephropyeloplasty             | Repair of the kidney   |
| nephropyosis                  | Purulence of a kidney  |
| nephrorrhagia                 | Bleeding of the kidney                                       |
| nephrorrhaphy                 | Surgical procedure of suturing the kidney                    |
| nephrosclerosis               | Hardening of the connective tissues of the kidney            |
| nephrosis                     | Degenerative changes in the kidneys                          |
| nephrostomy                   | The formation of an artificial fistula into the renal pelvis |
| nephrotomography              | Tomography of the kidney after intravenous injection of      |
|                               | radiopaque contrast medium                                   |

| nephrotoxin          | Toxic substance that damages kidney tissues                            |
|----------------------|--|
| nephrotropic         | Affecting the kidneys  |
| meat/o               | Meatus (passage)   |
| meatal               | Pertaining to the flesh  |
| meatorrhaphy         | Suture of the severed end of the urethra to the glans penis            |
| meatoscope           | A speculum for examining a meatus                                      |
| meatoscopy           | Instrumental examination of a meatus                                   |
| meatotome            | Knife with probe or guarded point for enlarging a meatus               |
|                      | by direct incision   |
| meatotomy            | Incision of urinary meatus to enlarge the opening                      |
| cyst- cyst/o         | Bladder, Sac   |
| cystalgia/cystodynia | Pain in the bladder  |
| cystectomy           | Removal of a cyst or bladder   |
| cystitis             | Bladder inflammation usually from urinary tract infection              |
| cystoadenoma         | Tumor containing cystic and adenomatous elements                       |
| cystocele            | A bladder hernia that protrudes into the vagina                        |
| cystoenterocele      | Hernia of the bladder wall   |
| cystography          | Radiograph of cyst into which a contrast medium has                    |
|                      | been instilled   |
| cystojejunostomy     | Joining of an adjacent cyst to the jejunum                             |
| cystolith            | Vesical calculus   |
| cystolithectomy      | Excision of a stone from the bladder                                   |
| cystolithiasis       | Formation of stones in the bladder                                     |
| cystoma              | A cystic tumor   |
| cystometrography     | Graphic record of bladder pressure at filling stages                   |
| cystopexy            | Surgical fixation of the bladder to abdominal wall                     |
| cystoplasty          | Plastic operation on the bladder                                       |
| cystoplegia          | Bladder paralysis  |
| cystoptosis          | Prolapse into the urethra of vesical mucous membrane                   |
| cystorrhagia         | Bleeding of the bladder  |
| cystorrhaphy         | Surgical suture of the bladder   |
| cystorrhea           | Discharge of mucus from urinary bladder                                |
| cystoscope           | An instrument for interior examination of the bladder                  |
|                      | and ureter   |
| cystoscopy           | Examination of bladder with a cystoscope                               |
| cystotomy            | Incision of the bladder  |
| cystoureteritis      | Inflammation of the ureter and urinary bladder                         |
| cystoureterogram     | A radiograph of the bladder and ureter obtained after                  |
|                      | instillation of a contrast medium                                      |
| cystoureterogram     | Radiograph of bladder and ureter obtained after                        |
|                      | instillation of a contrast medium                                      |
| cystourethrography   | Radiography of the bladder and urethra                                 |
| cystourethrography   | Radiography of bladder and urethra by using radiopaque contrast medium |

| vesic/o  | Bladder  |  |
|--|--|--|
| vesicotomy   | Incision of the bladder  |  |
| vesicocele   | Hernia of bladder into vagina  |  |
| vesicoclysis   | Injection of fluid into the bladder  |  |
| vesicofixation   | Attachment of the uterus to the bladder or the bladder   |  |
|  | to the abdominal wall  |  |
| urethr/o   | Urethra  |  |
| urethrorrhaphy   | Suture of the urethra  |  |
| urethrostomy   | The formation of a permanent fistula opening   |  |
| urethrotrigonitis  | Inflammation of the urethra and the trigone of the bladder   |  |
| urethrodynia/urethralgia   | Pain in the urethra  |  |
| urethratresia  | Occlusion or imperforation of the urethra  |  |
| urethrectomy   | Surgical excision of urethra   |  |
| urethrography/urethrograph   | Radiography of urethra   |  |
| urethrometer   | Instrument to measure diameter of urethra  |  |
| urethrorrhea   | Abnormal discharge from urethra  |  |
| urethroscopy/urethroscope  | Examination of the mucous membrane of urethra  |  |
| urethrospasm   | Spasmodic stricture of the urethra   |  |
| urethropexy  | Surgical fixation of urethra   |  |
| urethroplasty  | Reparative surgery of urethra  |  |
| urethrotomy  | Incision of urethral stricture   |  |
| urethritis   | Inflammation of urethra  |  |
| TUR  | Transurethral resection  |  |
| 1011   | Transaction at 1888 street   |  |
| ureter/o   | Ureter   |  |
|  | Ureter Concerning the ureter   |  |
| ureter/o   | Ureter   |  |
| ureter/o<br>ureteral   | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter   |  |
| ureter/o ureteral ureteralgia  | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon   |  |
| ureter/o ureteral ureteralgia ureterectasis  | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter  |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy   | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a   |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography   | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter  |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope   | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting   |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis   | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction  |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis ureteroplasty   | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction Plastic surgery of the ureter  |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis ureteroplasty ureteronephrectomy  | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction Plastic surgery of the ureter Kidney and ureter removal  |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis ureteroplasty ureteronephrectomy ureteropyelitis  | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction Plastic surgery of the ureter Kidney and ureter removal Inflammation of pelvis of the kidney and a ureter  |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis ureteroplasty ureteronephrectomy ureteropyelitis ureteropyelonephrostomy  | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction Plastic surgery of the ureter Kidney and ureter removal Inflammation of pelvis of the kidney and a ureter Removal of the renal pelvis and ureter   |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis ureteroplasty ureteronephrectomy ureteropyelitis ureteropyeloplasty   | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction Plastic surgery of the ureter Kidney and ureter removal Inflammation of pelvis of the kidney and a ureter Removal of the renal pelvis and ureter Plastic surgery of the ureter & renal pelvis  |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis ureteroplasty ureteronephrectomy ureteropyelitis ureteropyelonephrostomy ureteropyosis  | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction Plastic surgery of the ureter Kidney and ureter removal Inflammation of pelvis of the kidney and a ureter Removal of the renal pelvis and ureter Plastic surgery of the ureter & renal pelvis Suppurative inflammation within a ureter   |  |
| ureter/o ureteral ureteralgia ureterectasis ureterocolostomy ureterocystoscope ureterography ureterohydronephrosis ureteroplasty ureteronephrectomy ureteropyelitis ureteropyelonephrostomy ureteropyeloplasty ureteropyosis ureterolithiasis              | Ureter Concerning the ureter Pain in the ureter Dilation of the ureter Implantation of the ureter into the colon Cystoscope combined with a ureteral catheter Radiography of the ureter after injection of a radioactive substance Dilation of the ureter & pelvis of the kidney resulting from obstruction Plastic surgery of the ureter Kidney and ureter removal Inflammation of pelvis of the kidney and a ureter Removal of the renal pelvis and ureter Plastic surgery of the ureter & renal pelvis Suppurative inflammation within a ureter Development of a stone in the ureter  |  |

| ureterotomy  | Incision or surgery of the ureter  |
|--|--|
| ureterorrhagia   | Hemorrhage from the ureter   |
| lith- lith/o   | Stone  |
| lithocystotomy   | Incision of the bladder to remove a kidney stone   |
| lithogenesis   | Formation of calculi   |
| lithology  | Science dealing with calculi   |
| litholysis   | Dissolving of stones   |
| lithonephritis   | Inflammation of the kidney because of a stone  |
| lithotome  | Instrument for performing lithotomy  |
| lithotomy  | Incision especially of the bladder for removal of a stone  |
| lithotripsy  | Use of shock wave or sound waves to crush the stone  |
| lithectomy   | Surgical removal of a calculus   |
| nephrolithiasis  | The presence of calculi (stone) in the kidney  |
| nephrolithotomy  | Renal incision for removal of a kidney stone   |
| lithoclast   | Forceps for breaking up large calculi  |
| azot/o   | Urea, nitrogen   |
| azoturia   | Increase in nitrogenous compounds  |
| albumin/o- albumin   | To provide collide osmotic pressure. Prevent plasma loss   |
| albuminaturia  | Presence of albuminates in urine   |
| albuminuria  | Amounts of serum protein   |
| ur- ur/o, urin/o   | Uria, urine  |
| urodynia   | Pain associated with urination   |
| urography  | Radiograph of the urinary tract after the introduction of a  |
|  | contrast medium  |
| urologist  | A physician who specializes in the practice of urology   |
| urology / urinology  | Study of the urinary system, study of urine  |
| uroscopy   | Examination of the urine   |
| glycosuria   | Abnormal amount of glucose in the urine  |
| dysuria  | Painful or difficult urination   |
| nooturio   |  |
| nocturia   | Frequent urination at night (after bedtime)  |
| anuria   |  |
|  | Frequent urination at night (after bedtime)  |
| anuria<br>oliguria<br>pyuria   | Frequent urination at night (after bedtime) Absence of urine Low urine output (less than 400ml/day) Pus in the urine   |
| anuria<br>oliguria   | Frequent urination at night (after bedtime) Absence of urine Low urine output (less than 400ml/day) Pus in the urine Excessive discharge of urine  |
| anuria<br>oliguria<br>pyuria   | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  |
| anuria oliguria pyuria polyuria  | Frequent urination at night (after bedtime) Absence of urine Low urine output (less than 400ml/day) Pus in the urine Excessive discharge of urine  |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic   | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic diuresis  | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  The secretion an passage of large amount of urine   |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic diuresis enuresis                                   | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic diuresis enuresis urinal                            | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  The secretion an passage of large amount of urine   |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic diuresis enuresis                                   | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  The secretion an passage of large amount of urine  Involuntary discharge of urine   |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic diuresis enuresis urinal                            | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  The secretion an passage of large amount of urine  Involuntary discharge of urine  Container into which one urinates  |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic diuresis enuresis urinal urinalysis urinary urinate | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  The secretion an passage of large amount of urine  Involuntary discharge of urine  Container into which one urinates  Analysis of the urine  Secreting or containing urine  Pass urine from the bladder |
| anuria oliguria pyuria polyuria hematuria uremia / urinemia diuretic diuresis enuresis urinal urinalysis urinary         | Frequent urination at night (after bedtime)  Absence of urine  Low urine output (less than 400ml/day)  Pus in the urine  Excessive discharge of urine  Blood in the urine  In patients with renal failure  Increasing urine secretion  The secretion an passage of large amount of urine  Involuntary discharge of urine  Container into which one urinates  Analysis of the urine  Secreting or containing urine                              |

| urinoma           | A cyst containing urine  |
|-------------------|--|
| BUN               | Blood, urea, nitrogen  |
| OTHER TERMS:      |  |
| micturate         | To pass urine from the bladder                                       |
| incontinent       | Loss of self-control   |
| distention        | The state of being distended   |
| retention         | The act of keeping possession or holding in place                    |
| stricture         | Narrowing or constriction of lumen of a tube                         |
| atony             | Lack of normal tone of strength                                      |
| bougie            | A slender, flexible instrument for exploring and dilating the organs |
| flank             | Part of the body between the ribs                                    |
| orifice           | The mouth, entrance, or outlet of any anatomical structure           |
| reflux            | A return or backwards flow   |
| trigone           | A triangular space between two openings                              |
| catheter          | A tube passed into the body for evacuating fluids                    |
| filtrate          | The fluid has been passed through a filter                           |
| meatus            | Passage or opening   |
| sphincter         | Circular muscle constricting an orifice                              |
| fulguration       | Destruction of tissue using high frequency electric sparks           |
| retroperitoneal   | Behind the peritoneum and outside the peritoneal cavity              |
| polycystic kidney | Multiple cysts on or in the kidney                                   |
| specific gravity  | Ratio of weight of substance compared to equal volume of water       |
| cortex / medulla  | Outer layer of organ as distinguished from inner, or                 |
| Cortex / medulia  | medulla  |
| pelvis            | Any basin-shaped structure or cavity                                 |
|                   | Any part of the body resembling a pyramid; cone-shaped               |
| pyramid           | structures making up the medulla of the kidney                       |
| BPH               | Benign prostatic hypertrophy   |
| ATN               | Acute tubular necrosis   |
| 71 I I I          | Acute tubulal fiectosis  |

**Laboratory Tests and Clinical Procedures** 

| <u> </u>                                |  |
|---|--|
| Test/Procedure                          | Definition   |
| PSA test                                | Measurement of levels of prostate-specific antigen |
|   | in the blood                                       |
| Semen analysis                          | Microscopic examination of ejaculated fluid        |
| Castration                              | Surgical excision of testicles or ovaries          |
| Circumcision                            | Surgical procedure to remove the prepuce of the    |
|   | penis  |
| Digital rectal examination (DRE)        | Finger palpation through the anal canal and rectum |
|   | to examine the prostate gland                      |
| Photoselective vaporization of the      | Removal of tissue to treat benign prostatic        |
| prostate (Green Light PVP)              | hyperplasia using a green light laser (laser TURP) |
| Transurethral resection of the prostate | Excision of benign prostatic hyperplasia using a   |

| (TURP)    | resectoscope through the urethra                |
|-----------|---|
| Vasectomy | Bilateral surgical removal of a part of the vas |
|           | deferens  |
